Quota and bandwidth limits are per month, beginning on the 1<sup>st</sup> of each month. Prices and features of hosting plans are subject to change.

\* The State of Ohio requires sales tax to be collected on hosting services for companies located in Ohio. A 6.75% tax will be added to the monthly cost for Ohio-based customers unless a certificate of exemption is provided.

### Overage Fees

If you exceed the **allowable bandwidth** in any given calendar month, an additional fee will be charged that month in accordance with the following fee schedule:

|                               |      |
|-------------------------------|------|
| 1MB-1GB over limit:           | \$5  |
| 1.001GB-3GB over limit:       | \$10 |
| 3.001GB – 5GB over limit:     | \$20 |
| More than 5.001GB over limit: | \$30 |

If you exceed your **allowable storage space quota** in any given calendar month, an additional fee will be charged that month in accordance with the following fee schedule:

|                            |  |
|----------------------------|--|
| 1MB to 250MB over limit:   | \$5  |
| 251MB to 500MB over limit: | \$10   |
| 501MB to 3GB over limit:   | \$20   |
| More than 3GB over limit:  | \$30 per 3GB increment (i.e. 6GB overage will be \$60/mo.) |

**REMEMBER:** Your total **monthly bandwidth** includes all file transfer activity on your server, which includes your daily website traffic, email traffic, FTP transfers and database activity. Site backups performed using the cPanel backup feature do NOT count as part of your monthly bandwidth limit.

Your **storage quota** includes all files stored on your server, including all web site files, emails, databases, etc. You can reduce your storage quota by deleting unneeded emails (including in your inbox, sent and delete folders) and unnecessary files on your web site.

*Failure to pay any overage fees in a timely manner will subject your account to suspension or termination.*
